FROM: Jim Humphrey – Officer at Large
COPY: Teri Cotton – Female Development Coordinator
SUBJECT: We Are Coaches 2010

BC Hockey in conjunction with Hockey Canada and the Coach Association of Canada is proud to present We Are Coaches in Nanaimo, BC. On Saturday, March 20 interested Females will have the opportunity to attend an informational session on different aspects of Hockey. The goal of this seminar is to increase the amount of Female participation in Hockey.

The clinic format will encourage participation and is structured in a way to stimulate a lot of questions. This clinic will also provide woman with the skills, support, and sense of community that they need to make a difference in a child's life. This clinic is flexible and the lesson plan goes through proper equipment placement and fitting all the way to practical on-ice coaching tools. It depends on the desire of the delegates.

This program will give woman the confidence and ability to be an integral part of their son or daughters hockey career. For more information please contact Michael Butler Coordinator, Programs for BC Hockey.
