Call to Order: 7:18 pm by AVMHA President Al McCulloch

Roll Call: Total number of members in attendance: 59

Number of eligible votes in attendance: 53

Adoption of agenda:

MOTION: M/S (Angela Cole/Kord Kozocari) to adopt the AVMHA AGM Agenda as presented.

CARRIED

Appointment of scrutineers: (2 required) – Marilyn Gibson & Roxanne Leyland

Approval of minutes from 2018 Annual General Meeting:

MOTION: M/S (Kathy McArthur/Dan Cheetham) to approve the minutes from the AVMHA 2018 AGM.

CARRIED

Executive Committee Reports:

President	Al McCulloch – Long season. Last season for him. Changes coming to constitution. No questions from the floor.
Vice President	Kord Kozocari – No report. No questions from the floor.
Treasurer	Carolynn Scott – Not present but full financial report provided for members at time of registration for meeting. Question from the floor about loss of just over \$23,000. Sarah Bielert explains that it is related to the purchase of equipment and new jerseys in the 2018/19 season.
Registrar	Samantha Barrowcliff – Online registration for the start of the 2018/19 season had a lot of bumps but much was learned and recommendations were made for the 2019/20 season which have been implemented and things are running much smoother at this point. RosterBot was hoped to be the solution for the organization of teams but the app changed their platform and it did not work for the association anymore. The second half of the season was a lot of focus on working with managers and coaches on logistics. New language adopted related to players who wish to register for Rep teams after the start of tryout. New policy to be implemented for 2019/20 season. Thank you to all the volunteers throughout the entire season. Thank you to Al McCulloch for his

support and best wishes in his “retirement” from the hockey world. No questions from the floor.

Director at Large A Dave Porter – No report given.
Director at Large B Amber Lamb – No report given.
Secretary Andrea Massop – No report given.

Management Committee Reports:

Competitive & Development Coordinator

Stefanie Weber – Sarah Bielert taking over being Tournament Coordinator. Thank you, Sarah. Rep Coordinator needed for upcoming season as Stefanie is resigning from all management committee positions she currently holds. May look at holding Midget provincials next season. Intention stated that AVMHA would like to host (during Spring Break). Rep teams went to electronic game sheets and expectations should be that all teams (including recreational) will go to electronic game sheets for the upcoming season. Association will need more iPads for this. Atom Development new program will be adopted in 2020/21 but association will likely phase in parts in the 2019/20 season. Competitive coach applications will be received until May 31, 2019. Everyone except Atom Development will start tryouts in late August. Bantams made it to provincials this past season. Midget tryout group for 2019/20 season is potentially large. Bantam numbers are very low, may need to go into recreational field to find players or combine with Oceanside if numbers do not increase. Kathy McArthur asks if it’s possible to make two (2) Midget teams by moving up Bantam players. Stefanie explains that 35 players must be registered within the association to make two (2) teams. No questions from the floor.

New Business:

Special Committee for Constitutional Changes – report on proposed changes – Samantha Barrowcliff
Presentation of proposed changes.

- Bylaw 3 change to 6/10 members for quorum
- Bylaw 4 change to number of voting members
- Bylaw 5 officers’ duties and power requires executive members to attend meetings on a regular basis – missing three (3) consecutive meetings may lead to an investigation into whether the person should remain on the executive committee
- Bylaw 5 regarding President vacating position before term is ended.
- Bylaw 7 addition of Director at Large C, D & E to Executive Committee.

MOTION: M/S (Vesna Dorn/Ashley Salmon) to approve all proposed by membership.

CARRIED

Question about possibility of holding a special meeting before the 2020 AGM to bring the changes into effect sooner. This is possible and will be investigated at next meeting of Executive/Management Committee.
