BC Hockey has opened registration for pre-season coaching clinics at the Coach 1 – Intro to Coach, Coach 2 – Coach Level, Development 1 Part 1, and Instructional Stream categories of Hockey Canada/NCCP coaching clinics. Hockey University (HU) clinics are also available on demand. This is a great way for your coaches to get their certifications prior to the start of the season. If anyone within your MHA needs one of these levels for their team, please share these links with them.
